This representation letter is provided in connection with your audit of the financial statements of Salida Del Sol Academy, a component unit of Weld County School District #6, which comprise the respective financial position of the governmental activities, discretely presented component units, and each major fund as of June 30, 2023, and the respective changes in financial position for the year then ended, and the related notes to the financial statements, for the purpose of expressing opinions on whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to misstatements that are material. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, as of October 20, 2023, the following representations made to you during your audit of the financial statements as of and for the year ended June 30, 2023.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement agreement dated August 25, 2023, for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP. The financial statements include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity.
2. We acknowledge and have fulfilled our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
4. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

5. Significant estimates have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP. Significant estimates are estimates at the financial statement date that could change materially within the next year.
6. Related party relationships and transactions, including, but not limited to, revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
7. No events, including instances of noncompliance, have occurred subsequent to the financial statement date and through the date of this letter that would require adjustment to, or disclosure in, the financial statements.
8. The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements for each opinion unit. In addition, you have proposed adjusting journal entries that have been posted to the entity's accounts. We have reviewed and approved those adjusting journal entries and understand the nature of the changes and their impact on the financial statements. We are in agreement with those adjustments and accept responsibility for them. Below is a summary of the uncorrected misstatements:
 - We have determined that presenting a subscription asset of \$77,844 for e-learning software was not material to the governmental activities of the School. This transaction has been recorded as a prepaid item of \$38,922 and expenses of \$38,922 rather than a subscription asset of \$77,844. We have also determined that presenting a prepaid item for \$38,922 rather than expenditures is not material to the General Fund.
9. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
10. Guarantees, whether written or oral, under which the entity is contingently liable, if any, have been properly recorded or disclosed in accordance with U.S. GAAP.
11. Arrangements with financial institutions involving repurchase, reverse repurchase, or securities lending agreements, compensating balances, or other arrangements involving restrictions on cash balances and line-of-credit or similar arrangements, have been properly recorded or disclosed in the financial statements.
12. Receivables recorded in the financial statements represent valid claims against debtors for transactions arising on or before the financial statement date and have been reduced to their estimated net realizable value.
13. We have analyzed all lease contracts and have considered and recorded material embedded leases contained within other contracts in accordance with U.S. GAAP.

14. We have no plans or intentions that may materially affect the carrying value or classification of assets, liabilities, or equity.
15. We believe that the actuarial assumptions and methods used to measure pension and other postemployment benefits (OPEB) liabilities and costs for financial accounting purposes are appropriate in the circumstances.
16. We do not plan to make frequent amendments to our pension or other postretirement benefit plans.
17. We have implemented GASB Statement No. 96, *Subscription-Based Information Technology Arrangements*, during the audit period. We have implemented the new accounting standard in accordance with the transition guidance prescribed in the standard. We have determined that there are no material subscription assets or subscription liabilities to be presented or disclosed within the financial statements.
